

Types of Learners

Based on the 4MAT System by Bernice McCarthy

	Prefer to Learn by:	Interested in:	Favorite Question	Teachers Need to:
1 Imaginative Learners	sensing/feeling and watching	personal learning	why	Create a reason.
2 Analytic Learners	watching and thinking through concepts	the facts	what	Give them the facts.
3 Common Sense Learners	thinking through concepts and doing it themselves	how things work	how	Let them try it.
4 Dynamic Learners	doing it themselves and sensing/feeling	self- discovery	what if	Let them teach it to themselves and others.
